

An aerial photograph of London at dusk. The Shard skyscraper is prominent on the left side, its glass facade reflecting the twilight sky. The city lights are visible in the background, with the London Eye Ferris wheel clearly seen in the lower right quadrant. The sky is a mix of soft pinks, oranges, and blues.

@oicheryl

Cloud Native is...

Distributed systems + scalability + resilience
+ agility + efficiency + avoid vendor lock in

=> Microservices, containers, orchestration
...serverless?

Why?
